Community Development Commission

Subject: Holly Mitigation Funds

On April 13, 2010, the Community Development Commission (CDC) met and one item on their agenda was a discussion on the Holly Good Neighbor Program. From that discussion, the CDC voted to forward the following recommendation to the City Council:

“The CDC requests the City Council to designate the Holly Mitigation Funds necessary to complete outstanding repairs under outstanding building permits, and pay/waive any outstanding utility debts so that Holly residents can qualify for the Neighborhood Housing and Community Development (NHCD) Holly Good Neighbor Repair Program. The repairs to be completed up to the International Existing Building Code (IEBC) and the International Property Maintenance Code (IPMC) adopted by the City Council on April 8, 2010.”

The recommendation passed on a vote of 10-0-1. Please let me know if you have any questions, or need any additional information.
